*Dear Friends  
and Supporters,*

In Voivodeni we have been able to help a 7 year-old girl (picture to the left) who had a brain tumour and needed emergency surgery. The operation is free of charge, but post-operative treatments require money as do transports to and from the hospital in Tages Mures. The congregational members also helped with what they could. The priest Denes Scaba asks for intercession for the girl.

*The mother shows that the money for the girl has arrived.*

*Food distribution in Voivodeni with a Corona distance.*

Denes also appealed for clothing for children and adults. He said that a Romanian truck driver, with a load to Southern Sweden, would be able to fill the empty space with those things on his way back. As the driver would not come to Stockholm, the Foundation contacted our co-operative partner, the OSS-HELP in Småland, where Bernt Texén was kind enough and helped load a lot of clothes, which the OSS-HELP had gathered.

In Floresti Dana tirelessly continues to hand out necessities. During the last month it has been clothes as well as toothbrushes and some children's bicycles. Furthermore, Dana was terrified to discover that many Roma people had neither beds nor mattresses, but slept directly on the cold floor, so she gave mattresses to those who needed them the most.

Stiftelsen Brödet/The SB Foundation and board members *Arne, Elisabeth, Ivar, Lena, Roger* give thanks to all contributors.
