ROMANIA –
Voivodeni
Bicycle tour

*Dear Friends and
Supporters,*

As we have told you earlier, SB Foundation has been paying for guitar lessons for two groups in Voivodeni, one group of teenagers and one of younger students. Each student also received their own guitar.

One day in the middle of July after the end of the semester, the guitar instructor organized an enjoyable bike tour for the students to the neighboring village of Onuca - a round-trip distance of 7 km (about 4.4 miles) – where they were treated to juice and apples. There was pure joy among the spirited participants.

A big thank you to each and every one who helps us bring help!

Warm greetings from SB Foundation via *Arne, Elisabeth, Gloria, Lena, Roger*
