December 2020  
Transport

*Dear Friends and Supporters,*

Again, it's time for a shipment of donations to Romania, the second one this year. We are grateful to everybody who this year donated money, clothes, shoes, toys, household utensils etc to the Foundation and for everyone who this time helped with the loading – Martin, Lollo, Thomas, Maria, Ragnar, Anders, Jacob, Birgitta and Ante alongside a couple of the board members. The Foundation's storehouse was bursting with cartons, but furniture cannot be stored there, so early in the morning Thomas went to Västerås in order to fetch nine hospital beds with special mattresses at the Salvation Army's place and then to the Löjtnantsgården in Stockholm to fetch two more beds as well as crutches to the hospital in Borså. Tobias donated 175 brand new spectacle frames just to mention some of the donors. When we finally could wave

good-bye to the driver, we drew a sigh of relief and gratitude that not a single drop of rain had fallen while the boxes were out in the street. They could have been damaged.

The SB Foundation sends – through Arne, Elisabeth, Ivar, Lena, Roger – a warm **thank you** to each and every one!

*Overcrowded*

*Hospital beds*
