India – Annai Home in
Tamil Nadu

*Dear Friends and
Supporters!*

The boarding home Annai Home in the state of Tamil Nadu, India, where approximately 320 girls (who are either orphans or from a low caste) live, has sent SB Foundation this lovely Christmas greeting through its founder and director, Father Francis. We share it here with all the friends of the Foundation. The girls living at Annai Home attend school nearby during the day but live, eat, and do their homework at the home. Annai Home provides them with schoolbooks and other materials, and this is primarily where SB Foundation contributes. Stiftelsen Brödet is not one of the largest supporters, but we play a small part.

Warm greetings from SB Foundation via us,
Arne, Elisabeth, Gloria, Lena, Roger
