*Dear Friends  
and Supporters,*

Covid-19 has been hard on the village Voivodeni in Romania, where many people have been taken ill. The area is now classified as a "red zone". Factories close and people lose their employment and income. Our contact person, the priest Denes Csaba, has asked the SB Foundation for support by giving money for food, which we have continued to do.

It is not the first time there has been a pandemic and famine on earth. Already in Genesis chapter 41 it speaks of a dream that Pharaoh had about seven fat cows and then seven thin cows. Joseph said the dream meant that there would be seven good years, followed by seven years of famine. Pharaoh sent Joseph on a mission to collect grain during the good years. When the famine came, the people turned to Pharaoh who told them to turn to Joseph. "And all the world came to Egypt to buy grain from Joseph, because the famine was severe everywhere (verse 57).

In the gospel of Luke it is said the people inquired of Jesus what they should do. He answered: "Anyone who has two shirts should share with the one who has none, and anyone who has food should do the same." Luke 3:11

The families in Voivodeni send their greetings and thanks for the food, wishing us all a
