Newsletter to friends and supporters

End of February 2020

Dear Friends and Supporters,

The School for the Blind in India

At the end of the fall semester 2019 the students participated in a song contest and won second prize.

Here the pupils concentrate before the final examination. Fortunately the results turned out good. The fall semester ended with grades being announced, with prayer and blessings being given, a party arranged and Christmas presents handed out before a short Christmas holiday from the 21st of December to the 1st of January. And now the spring semester has already started as usual.

Regards
