Gepiu

*Dear Friends and
Supporters,*

SB Foundation's contact person Ghita Andrasi pleaded with the Foundation to buy firewood for thirteen poor families in Gepiu in Romania. Admittedly, they had received front doors from the Foundation, but if they could not heat their homes, they would still be cold. Ghita managed to negotiate a good price, so the Foundation could purchase 8 tons of firewood for a sum of SEK 13,555. This way the families will at least manage through the Spring semester. The pictures show how the wood is delivered to the village by lorry and then transported onward to the various families with the help of wheelbarrows, baby stroller and strong arms.

SB Foundation thanks all donors warmly via us on the Board
