ROMANIA  
Ciumeghiu  
Situation of Roma people  
*Dear Friends and  
Supporters!*

Our contact person Ghita Andrasi (dressed in a green jacket in the photos) in Ciumeghiu, Romania, is an unusual Romani, who wishes to help others who are less fortunate than he and his family are. Now he pleads for help for six families. One of them has ten children, two have seven each, and the others four, five and six children. Their houses have dilapidated doors and windows. Some families lack wood to heat their homes, some of the children need clothing and school supplies.

The needs are great. If you wish to help the Roma families, you will receive theirs and the Foundation's warm gratitude! Swish works well. The number is below.

Greetings from SB-Foundation via us on the Board, *Arne, Elisabeth, Gloria, Lena, Roger*
