Activities tables

*Dear Friends and
Donors,*

Several donors to SB Foundation responded to the appeal in one of the New Year 2025 newsletter for funds to purchase three different activity tables to keep youth engaged so the tables could be purchased. **A warm thank you to everyone who contributed!** The tables are currently stored in a heated space and youngster can bring them out when they want to play. But when the warmer weather arrives, the tables will be moved to a location where they can remain outside and be accessible at all times.

The fine sports field, which the Foundation funded a few years ago, is being used – not only for various ball games but also for various other activities. In the photos below, we see people collecting clothes and other items from the Foundation's aid shipment; everyone can choose appropriate sizes, etc. **Warm thanks to everyone who donated material goods** to the aid shipments. The Foundation has received so many wonderful items, and it is a joy to be able to send them to those in need.

Thank you for being part of spreading joy through your gifts! The needs are great. Feel free to use Swish.
